### Estero vs Lemon Bay

On senior night, the Estero Wildcats delivered a dominant 39-12 victory over the Lemon Bay Manta Rays, with QB Maddox Stewart and WR/DB Kegan Kreuzer stealing the show. The Wildcats' defense made their presence felt with three sacks and an interception, highlighted by a standout performance from ILB Michael Lau. Despite a scoreless third quarter, Estero's defense held firm, keeping the Manta Rays off the board in the second half. ### JV Estero vs Mariner

The JV Wildcats returned to action with an exciting 27-0 win over the Mariner Tritons. Offensively, the Wildcats were able to dominate on the ground as RB Elijah Westfall contributed 2 scores on the ground including an electric 14-yard carry where he weaved in and out of Triton defenders on his way to the endzone. Freshman RB Townson Green also found the endzone on the ground after a rushing touchdown on the previous play was called back for holding. Through the air, freshman QB Jackson Woss found sophomore WR Julius Salgador for a 90-yard catch and run score as the Wildcats began to pull away from Mariner. Defensively, the Wildcats pitched a shutout which included an impressive goal line stand following a Mariner interception return that ended inside the Wildcat 10-yard line. Sophomore DB Miles Small came away with an interception late in the fourth quarter that eliminated any chance of Mariner scoring on the evening. The Wildcats will look to build off this performance as they take on the Island Coast Gators next.
